# Ways to Build Automated Income

1. Launch a niche blog and monetize with affiliate links.
2. Offer drop-servicing gigs like logo design using trusted freelancers.
3. Upload eye-catching designs to print-on-demand platforms.
4. Create and sell digital products (eBooks, templates, courses).
5. Invest in diversified index funds or dividend-paying stocks.
6. Acquire rental property and delegate management tasks.
7. Build an online course or membership site based on your expertise.
8. Run low-maintenance businesses like vending machines or laundromats.
9. Leverage peer-to-peer lending platforms for steady returns.
10. Automate savings and reinvest to compound your earnings.
